NEED TREATMENT?

We want to make sure everything runs as smoothly as possible when **you** need **treatment**, so we help take care of the practicalities so **you** can focus on getting better.

If **you** call the number on **your** insurance card or write via www.sukoon.com/bupaglobal/membersworld before going for **treatment**, **you** can have **your** benefits explained to **you** and check that **your treatment** is covered by **your health plan**. If needed, help can be provided with suggesting **hospitals**, clinics and **doctors**. In cases where **you** need **hospital treatment**, it may also be possible for the service team to contact **your hospital** or clinic on **your** behalf and make sure they have everything they need to go ahead with **your treatment**. If possible, it can be arranged to pay them directly too.

Please be aware that there are certain benefits for which **you** must receive pre-authorization. These are detailed in **your** 'Table of benefits'. Benefit may not be paid unless pre-authorization has been provided.

Of course there are times when **you** simply cannot get pre-authorization, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** ask the **hospital** to call the number on **your** insurance card or write via www.sukoon.com/bupaglobal/membersworld within 48 hours of **your** admission. This way the **hospital** can be provided with all the relevant information and, if possible, **we** can arrange to pay them directly.

The pre-authorization process

You can pre-authorise **your treatment** by phone or email. Inside the **UAE**, **Sukoon** will normally manage pre-authorization and directly settle the payment with the provider if within the **network**. Outside the **UAE**, we will send through **Bupa Global** a pre-authorization. To confirm if a provider is in **network** please visit Facilities Finder at www.sukoon.com/bupaglobal/facilityfinder

Inside the **UAE** inside the **network**, **Sukoon** will normally manage direct payments and pre-authorization directly with the provider. Inside the **UAE** outside the **network**, refer to the pay and claim section of this guide. **Outside** the **UAE**, we will send through **Bupa Global** a pre-authorization statement to **your** hospital or clinic once they have all the necessary details. A pre-authorization statement will also be sent to **you**. This can be used as a claim form to send back to us if **you** receive any invoices or are asked to pay for any aspect of **your** treatment **yourself**. Further information is provided on the claims process on the next page.

Pre-authorization complete and now going for treatment?

Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your** **benefits provider** when **you** arrive.

From time to time **you** may be asked for more detailed medical information, for example to determine whether a loading should be applied to **your policy** for a **pre-existing condition**.

Remember you can ask for a second medical opinion service

The solution to health problems isn't always black and white. That's why **you** have the opportunity to get another opinion from an independent world-class **specialist**.

Our approach to costs

When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **Recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of **benefits providers** on Facilities Finder at www.sukoon.com/bupaglobal/facilityfinder. Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, all eligible costs of any covered benefits will be covered, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, only costs that are **Reasonable and Customary** will be covered. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and **medical practice** (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, these global guidelines may be referred to when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-network' **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an 'out-of-network' **benefits provider**:

- o **you** will be responsible for paying any amount over and above the amount reasonably determined to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-network' **benefits provider**;
- o The amount **your** chosen 'out-of-network' **benefits provider** will seek to charge **you** directly cannot be controlled.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**. If this happens, **we** will cover eligible costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been deducted).

If **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, call the number on **your** insurance card within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **you** may be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **Reasonable and Customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been deducted).

Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain countries.

WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

You, the **policyholder**, can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form. **You** can download this easily from www.sukoon.com/bupaglobal/membersworld. If **you** are adding your newborn child please complete the 'newborn application form' or **you** can get in touch and one will be sent to **you**.

When **you** apply, the **dependant's** medical history will be reviewed by the internal medical team which may result in a loading for **pre-existing conditions**. These are personal to the person **you** add and will be shown on **your** insurance certificate. The cover will start on the date **our** medical team accept **your** application to join.

Only newborn children can have their cover backdated for up to 7 days from the date of birth.

Adding your newborn child?
Congratulations on **your** new arrival!

Neo-natal cover will be provided for 30 days on this **health plan** without underwriting. **You** will need to provide the child's name and date of birth. **You** can apply to extend this cover from day 31 without completing an application form and will be covered regardless of any health conditions when:

- at least one parent has been covered on this **health plan** for 10 months or more prior to the child's birth, and
- a copy of the birth certificate or official birth notification document is submitted within 30 days of the birth

In this instance **your** baby will not be subject to any medical underwriting.

If these criteria are not met **you** will need to provide a completed newborn application form and medical underwriting will apply as described when adding a **dependant**. The cover start will be the date the internal medical team accept **your** application to join.

If there are any changes to the information **you** provided in the application form after **you** or **your** dependants sign it and before the application is accepted, please confirm this straight away.

YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

Benefit limits

There are three kinds of benefit limits shown in this table:

1. The 'overall annual maximum' – the maximum amount to be paid in total for all benefits, for each person, in each **policy year**.
2. Annual limits for a group of benefits – the maximum amount to be paid in total for all of the benefits in that group, such as **out-patient** day to day care.
3. Individual benefit limits – the maximum amount to be paid for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no further benefits will be paid, regardless of the **renewal** of **your health plan** or if **you** terminate **your policy** and rejoin.

Waiting periods

You will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered continuously for the full duration of the waiting period stated.

How does the co-insurance work?

If **you** have chosen a **co-insurance**, this will be shown on **your** insurance certificate and **your** insurance card.

The **co-insurance** on this **health plan** is the percentage of all **out-patient** day to day care expenses that **you** share with **us** – please refer to **your** 'Table of benefits'.

Please note that the benefit limits shown in the 'Table of benefits' is the maximum to be paid.

EXAMPLE

If **you** have chosen a 20% **co-insurance** this means that **you** always pay 20% of **your out-patient** day to day care

You have a consultation with your doctor which costs AED 800	20% out-patient day to day care co-insurance applied is AED 160
---	--

Amount **we** pay is **AED 640**

Later in the year you stay in hospital for 5 days which costs AED 80,000	As this is in-patient care the co-insurance applied is AED 0
---	---

Amount **we** pay is **AED 80,000**

If **you** use direct payment, you will pay the **co-insurance** directly to the **benefits provider**.

If **you** pay and claim, the **co-insurance** will be deducted from the amount **you** are paid when **your** claim is settled.

Please refer to 'how to claim' for more details.

Internal medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium. **We** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** disclosed in **your** application are covered under **your health plan**.

The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. TERMS AND CONDITIONS

No	CLAUSE
1.	Your policy
1.1	The definitions set out in the "Glossary" in the Guide to your health plan apply to these Terms and Conditions and are marked in bold.
1.2	This policy is an insurance contract between you the policyholder and Sukoorn for each policy year . If the policy is renewed a new insurance contract is formed on the same terms as the previous policy year but with a new premium and any amendments notified to you the policyholder of at the time of renewal .
1.3	No other persons, including any dependants , may enforce any legal rights under this insurance contract. Dependants may use the complaints process set out in clause 15 below.
1.4	This insurance contract is set out in: <ul style="list-style-type: none"> ◦ these Terms and Conditions; ◦ the Guide to your health plan ; ◦ the information and declarations in your application form; and ◦ the insurance certificate.
1.5	If you the policyholder add dependants to this policy , those dependants will be covered by this policy from the date shown on the updated insurance certificate sent to you the policyholder .
2.	Your cover
2.1	Sukoorn will pay for the cost of any covered benefits in accordance with the terms of, and up to the limits as stated in, this policy .
2.2	Your health plan may include a mandatory annual deductible, which will be shown in the Guide to your health plan . You may also have an optional annual deductible, if available and selected by you the policyholder in your application form. Your deductibles will be shown on your insurance certificate and your insurance card. All annual deductibles apply to you the policyholder and each of the dependants separately. You the policyholder and each dependant may have different annual deductible amounts. You will have a new annual deductible if this policy renews. If an annual deductible applies, you must pay the cost of any covered benefits received directly to the provider until you have reached the level of your annual deductible. Costs in excess of the maximums shown in the Guide to your health plan will not count towards your annual deductible. The cost of any covered benefits you receive which are covered by your annual deductible (excluding costs in excess of the maximums shown in the Guide to your health plan), count towards the maximum cover limits shown in the Guide to your health plan . Even if the amount you are claiming is less than the amount of your annual deductible, you should still submit so that there is a record of when you have reached the level of your annual deductible. As this is an annual deductible, if your first claim is towards the end of the policy year and your covered benefits continue over your renewal date, the annual deductible is payable separately for the covered benefits received in each policy year .
2.3	Your health plan may include a mandatory co-insurance , which will be shown in the Guide to your health plan . You may also have an optional co-insurance , if available and selected by you the policyholder in your application form. No	CLAUSE
2.4	Should an amount be required to be paid for any reason to a benefits provider which is covered by any annual deductible or co-insurance the amount will then be collected from you . You authorise us to take this payment from you under the direct debit agreement or credit card authority you have given in your application form or as updated. If this policy has an annual deductible or co-insurance you must ensure that we always have a valid direct debit agreement or credit card authority that enables us to take payment of any annual deductible or co-insurance we have paid. You must update the direct debit agreement or credit card authority you have given to us when necessary or when requested. Otherwise it may cause delays in the payment of claims. Claims may not be paid until any outstanding annual deductible or co-insurance payments are received.
2.5	You must obtain pre-authorization for any covered benefits where it is stated that this is required in the Guide to your health plan . Subsequent pre-authorization should be obtained if you do not start receiving those covered benefits within 31 days of the original pre-authorization. Details of how to pre-authorise covered benefits are available in the Guide to your health plan .
2.6	Before pre-authorising any covered benefits or paying any claim, you may be asked additional information, such as medical reports, and you may be required to have a medical examination by an independent medical practitioner (at our cost) who will then provide a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorization and to your claims being paid. If this information is not provided this may result in your claims not being paid.
2.7	In certain situations we may pay for medical services or benefits which are not covered by this policy . This is called a discretionary or ex gratia payment and may include, should we determine not to seek to recover it, a payment made at Sukoorn or Bupa Global's error. Any payment that we may make on this basis will still count towards the overall annual maximum limit that applies to this policy . If we make a payment like this it does not mean that we are required to pay identical or similar costs in the future.
3.	Premium and Payment
3.1	The premium is exclusive of VAT for which you are liable.
3.2	You should pay your premiums and applicable VAT direct to us . If you pay these sums to anyone else, such as an intermediary or insurance broker, Sukoorn is not responsible for ensuring those persons pass the funds on to Sukoorn
3.3	If your premium (including applicable taxes) (or any instalment) or any other payment you owe us under this policy is not received by the due date, you the policyholder will be written to requesting payment by a specific date, which will be not less than 30 days after the date the letter or email was issued to you . If payment is not received by that date, you will be notified of the proposed cancellation date 30 days in advance. We will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of your control, such as a bank error.
3.4	If any payment is incorrectly made to either a benefits provider for treatment or benefits received by you but not covered by this policy , or to you , we reserve the right to deduct the amount incorrectly paid from your future claims or seek repayment from you .
4.	Where another person has caused your condition or you hold other insurance cover
4.1	If any person is to blame for any injury, disease, illness, condition or other event in relation to which you receive any covered benefits , a claim may be made in your name. You must provide any assistance reasonably required to help make such a claim, for example: <ul style="list-style-type: none"> ◦ providing any documents or witness statements; ◦ signing court documents; and ◦ submitting to a medical examination.
