# Hello

With a **health plan** from **Sukoon**, **you** benefit from the combined experience of **Sukoon**, the **insurer** for this plan, and **Bupa Global**, the international administrator, a partnership that's designed to fill **you** with confidence.

This **health plan** meets all of the requirements of the local health regulator, the Dubai Health Authority (DHA). With clearly segmented benefits designed to suit **our** global customers, **our** range brings simplicity and freedom to healthcare so that globally minded people can choose the plan that's right for them.

Within this **guide**, **you'll** find easy to understand information about **your Premier Health plan**, including:

- o guidance on what to do when **you** need **treatment**
- o simple steps to understanding the claims process
- o a 'Table of benefits' and list of 'General exclusions' which outline what is and isn't covered along with any benefit limits that might apply
- o a 'Glossary' to help understand the meaning of some of the terms used

To make the most of **your health plan**, please read the 'Table of benefits' and 'General exclusions' sections carefully to get a full understanding of **your** cover, along with **your** 'Terms and Conditions' also enclosed in **your** welcome pack.

## BEFORE **WE** GET STARTED, THERE ARE A FEW THINGS **WE** WOULD LIKE TO BRING TO **YOUR** ATTENTION...

**YOUR** GEOGRAPHICAL AREA FOR COVERAGE IS WORLDWIDE EXCLUDING U.S.

As long as it is covered by **your health plan**, you can have your **treatment** at any **recognised medical practitioner, hospital** or clinic in the world, excluding the U.S.

## BOLD WORDS

Any words written in bold are defined terms that are relevant to **your** cover. **You** can check their meaning in the 'Glossary'.

## TREATMENT THAT **WE** COVER

This includes treatment for chronic, congenital and hereditary conditions that may be covered, subject to underwriting.

**Your treatment** is covered if it is:

- o clinically appropriate in terms of type, duration, location and frequency

**Your Premier Global Health Plan** also provides a range of preventive benefits to help keep **you** healthy. **You** can find these in the 'Table of benefits'.

# Need treatment?

We want to make sure everything runs as smoothly as possible when **you** need **treatment**, so we help take care of the practicalities so **you** can focus on getting better.

If **you** call the number on **your** insurance card or write via [www.sukoon.com/bupaglobal/membersworld](http://www.sukoon.com/bupaglobal/membersworld) before going for **treatment**, **you** can have **your** benefits explained to **you** and check that **your treatment** is covered by **your health plan**. If needed, help can be provided with suggesting **hospitals**, clinics and **doctors**. In cases where **you** need **hospital treatment**, it may also be possible for the service team to contact **your hospital** or clinic on **your** behalf and make sure they have everything they need to go ahead with **your treatment**. If possible, it can be arranged to pay them directly too.

Please be aware that there are certain benefits for which **you** must receive pre-authorization. These are detailed in **your** 'Table of benefits'. Benefit may not be paid unless pre-authorization has been provided.

Of course there are times when **you** simply cannot get pre-authorization, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** ask the **hospital** to call the number on **your** insurance card or write via [www.sukoon.com/bupaglobal/membersworld](http://www.sukoon.com/bupaglobal/membersworld) within 48 hours of **your** admission. This way the **hospital** can be provided with all the relevant information and, if possible, **we** can arrange to pay them directly.

## The pre-authorization process

**You** can pre-authorise **your treatment** by phone or email. Inside the **UAE**, **Sukoon** will normally manage pre-authorization and directly settle the payment with the provider if within the **network**. Outside the **UAE**, we will send through **Bupa Global** a pre-authorization. To confirm if a provider is in **network** please visit Facilities Finder at [www.sukoon.com/bupaglobal/facilityfinder](http://www.sukoon.com/bupaglobal/facilityfinder)

Inside the **UAE** inside the **network**, **Sukoon** will normally manage direct payments and pre-authorization directly with the provider. Inside the **UAE** outside the **network**, refer to the pay and claim section of this guide. **Outside** the **UAE**, we will send through **Bupa Global** a pre-authorization statement to **your** hospital or clinic once they have all the necessary details. A pre-authorization statement will also be sent to **you**. This can be used as a claim form to send back to us if **you** receive any invoices or are asked to pay for any aspect of **your** treatment **yourself**. Further information is provided on the claims process on the next page.

## Pre-authorization complete and now going for treatment?

Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your** **benefits provider** when **you** arrive.

From time to time **you** may be asked for more detailed medical information, for example to determine whether a loading should be applied to **your policy** for a **pre-existing condition**.

## Remember you can ask for a second medical opinion service

The solution to health problems isn't always black and white. That's why **you** have the opportunity to get another opinion from an independent **specialist**.

## Our approach to costs

When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **Recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of **benefits providers** on Facilities Finder at [www.sukoon.com/bupaglobal/facilityfinder](http://www.sukoon.com/bupaglobal/facilityfinder). Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, all eligible costs of any covered benefits will be covered, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, only costs that are **Reasonable and Customary** will be covered. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and **medical practice** (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, these global guidelines may be referred to when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-network' **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an 'out-of-network' **benefits provider**:

- o **you** will be responsible for paying any amount over and above the amount reasonably determined to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-network' **benefits provider**;
- o The amount **your** chosen 'out-of-network' **benefits provider** will seek to charge **you** directly cannot be controlled.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**. If this happens, **we** will cover eligible costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been deducted).

If **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, call the number on **your** insurance card within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **you** may be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **Reasonable and Customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been deducted).

Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain countries.

# How to claim inside the UAE

Whether **you** choose direct payment or 'pay and claim' please follow the quick and easy claims process. Some benefits need to be pre-authorized so make sure to check **your** 'Table of benefits' and the 'Need **treatment**' section of this **guide**.

Sometimes **you** may be asked to provide further medical information to be able to process **your** claim.

This is a summary of the claiming process. Please refer to **your** 'Table of benefits', 'Terms and Conditions' and insurance certificate for full details on how claims will be paid. Claims for **treatments** received inside the **UAE** through the **Sukoon** direct billing arrangement will be directly settled by **Sukoon** with the provider.

**Sukoon** has a large network of **benefits providers** in the **UAE**, and **Bupa Global** has expertise in health insurance administration all around the world. This working relationship between the two companies ensures that **you** get full access to eligible medical **treatment** around the world.

Claims for **treatment** received inside the **UAE** within **your** purchased level of **Sukoon** network, will be directly settled by **Sukoon** with the benefits provider.

# How to claim outside the UAE

Whether **you** choose direct payment or 'pay and claim' please follow the quick and easy claims process. Some benefits need to be pre-authorized so make sure to check **your** 'Table of benefits' and the 'Need **treatment**' section of this **guide**.

Sometimes **you** may be asked to provide further medical information to be able to process **your** claim.

This is a summary of the claiming process. Please refer to **your** 'Table of benefits', 'Terms and Conditions' and insurance certificate for full details on how claims will be paid. For claims for treatment received outside the **UAE**, members can either submit a reimbursement request on a 'pay and claim' basis or **Bupa Global** as the international administrator will arrange direct payment where possible.

# Want to add more people to your health plan?

**You**, the **policyholder**, can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form. **You** can download this easily from [www.sukoon.com/bupaglobal/membersworld](http://www.sukoon.com/bupaglobal/membersworld). If **you** are adding your newborn child please complete the 'newborn application form' or **you** can get in touch and one will be sent to **you**.

When **you** apply, the **dependant's** medical history will be reviewed by the internal medical team which may result in a loading for **pre-existing conditions**. These are personal to the person **you** add and will be shown on **your** insurance certificate. The cover will start on the date **our** medical team accept **your** application to join.

**Only** newborn children can have their cover backdated for up to 7 days from the date of birth.

**Adding your newborn child?**  
Congratulations on **your** new arrival!

Neo-natal cover will be provided for 30 days on this **health plan** without underwriting. **You** will need to provide the child's name and date of birth. **You** can apply to extend this cover from day 31 without completing an application form and will be covered regardless of any health conditions when:

- o at least one parent has been covered on this **health plan** for 10 months or more prior to the child's birth, and
- o a copy of the birth certificate or official birth notification document is submitted within 30 days of the birth

In this instance **your** baby will not be subject to any medical underwriting.

If **your** baby is born in the U.S., the baby's medical history will be reviewed by the internal medical team from the date of birth, which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or cover may be declined. This means that if the baby has medical conditions that need treatment, these might not be covered by the **health plan**. If **you** and **your** baby return from the U.S. to UAE within 30 days of the birth and neo-natal care is required in that time, this will be provided with no underwriting until the baby is 30 days old, as defined by DHA guidelines. Any previous medical underwriting applied while **your** baby was outside the UAE will then be re-applied from day 31, which may result in cover being provided, applying special restrictions or exclusions, or cover may be declined from day 31 onward.

## Example of how our underwriting works for babies born in the U.S. and returning to UAE

Baby is born in the U.S.	Underwriting conditions may be applied from birth (day 1) as baby is born outside <b>UAE</b>
Parent and baby return to <b>UAE</b> 7 days after the birth	No underwriting applied from day 7 to day 30, as defined by DHA guidelines
Baby turns 31 days old within <b>UAE</b>	Underwriting conditions from day 1-6 are re-reviewed and may be re-applied from day 31, as defined by DHA guidelines

If these criteria are not met **you** will need to provide a completed newborn application form and medical underwriting will apply as described when adding a **dependant**. The cover start will be the date the internal medical team accept **your** application to join.

If there are any changes to the information **you** provided in the application form after **you** or **your dependants** sign it and before the application is accepted, please confirm this straight away.

# Your health plan benefits

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

## Benefit limits

There are three kinds of benefit limits shown in this table:

1. The 'overall annual maximum' – the maximum amount to be paid in total for all benefits, for each person, in each **policy year**.
2. Annual limits for a group of benefits – the maximum amount to be paid in total for all of the benefits in that group, such as **out-patient** day to day care.
3. Individual benefit limits – the maximum amount to be paid for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no further benefits will be paid, regardless of the **renewal** of **your health plan** or if **you** terminate **your policy** and rejoin.

## Waiting periods

**You** will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered continuously for the full duration of the waiting period stated.

## How does the co-insurance work?

If **you** have chosen a **co-insurance**, this will be shown on **your** insurance certificate and **your** insurance card.

The **co-insurance** on this **health plan** is the percentage of all **out-patient** day to day care expenses that **you** share with **us** – please refer to **your** 'Table of benefits'.

*Please note that the benefit limits shown in the 'Table of benefits' is the maximum to be paid.*

## EXAMPLE

If **you** have chosen a 20% **co-insurance** this means that **you** always pay 20% of **your out-patient** day to day care

<b>You</b> have a consultation with <b>your doctor</b> which costs <b>AED 800</b>	20% <b>out-patient</b> day to day care <b>co-insurance</b> applied is <b>AED 160</b>
---	--

Amount **we** pay is **AED 640**

Later in the year <b>you</b> stay in <b>hospital</b> for 5 days which costs <b>AED 80,000</b>	As this is <b>in-patient</b> care the <b>co-insurance</b> applied is <b>AED 0</b>
---	---

Amount **we** pay is **AED 80,000**

If **you** use direct payment, you will pay the **co-insurance** directly to the **benefits provider**.

If **you** pay and claim, the **co-insurance** will be deducted from the amount **you** are paid when **your** claim is settled.

Please refer to 'how to claim' for more details.

# YOUR EXCLUSIONS

In the 'General exclusions' section below, there is a list of specific **treatments**, conditions and situations that are not covered as part of **your health plan**.

## Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** **you** were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – these are called **pre-existing conditions**.

Internal medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium. **We** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** disclosed in **your** application are covered under **your health plan**.

## General exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note: **our** global **health plans** are non-US insurance products and accordingly are not designed to meet the requirements of the US Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those US taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefit provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Other rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefit provider** in certain specific countries. This applies whether **we** pay the **benefit provider** directly, or **you** pay the costs and claim this back from **us**.

Otherwise it may cause delays in the payment of claims. Claims may not be paid until any outstanding annual deductible or <b>co-insurance</b> payments are received.</p>
2.5	<p><b>You</b> must obtain pre-authorisation for any <b>covered benefits</b> where it is stated that this is required in the <b>Guide to your Bupa Global health plan</b>.</p> <p>Details of how to pre-authorise <b>covered benefits</b> are available in the <b>Guide to your health plan</b>.</p>
2.6	<p>Before pre-authorising any <b>covered benefits</b> or paying any claim, <b>you</b> may be asked additional information, such as medical reports, and <b>you</b> may be required to have a medical examination by an independent <b>medical practitioner</b> (at <b>our</b> cost) who will then provide a medical report.</p> <p>If this information is not provided in a timely manner once requested this may result in a delay in pre-authorisation and to <b>your</b> claims being paid. If this information is not provided this may result in <b>your</b> claims not being paid.</p>
2.7	<p>In certain situations <b>we</b> may pay for medical services or benefits which are not covered by this <b>policy</b>. This is called a discretionary or ex gratia payment and may include, should <b>we</b> determine not to seek to recover it, a payment made at <b>Sukoon</b> or <b>Bupa Global's</b> error. Any payment that <b>we</b> may make on this basis will still count towards the overall annual maximum limit that applies to this <b>policy</b>. If <b>we</b> make a payment like this it does not mean that <b>we</b> are required to pay identical or similar costs in the future.</p>
3.	<b>Premium and Payment</b>
3.1	The premium is exclusive of VAT for which <b>you</b> are liable.
3.2	<b>You</b> should pay <b>your</b> premiums and applicable VAT direct to <b>us</b> . If <b>you</b> pay these sums to anyone else, such as an intermediary or insurance broker, <b>Sukoon</b> is not responsible for ensuring those persons pass the funds on to <b>Sukoon</b>

3.4	If any payment is incorrectly made to either a <b>benefit provider</b> for <b>treatment</b> or benefits received by <b>you</b> but not covered by this <b>policy</b> , or to <b>you</b> , <b>we</b> reserve the right to deduct the amount incorrectly paid from <b>your</b> future claims or seek repayment from <b>you</b> .

6.	<b>Renewal</b>
6.1	<p><b>We</b> will write to let <b>you</b> know if this <b>policy</b> will renew for the next year in advance of the <b>renewal</b> date.</p> <p>Each <b>policy year</b> <b>we</b> may change how <b>we</b> calculate <b>your</b> premiums, how <b>we</b> determine premiums, what <b>you</b> have to pay and the method of payment. <b>We</b> may also change the <b>Guide to your health plan</b> (including which <b>covered benefits</b> are covered and the limits for <b>covered benefits</b>) and the terms this <b>policy</b>.</p> <p>A notice will be issued to <b>you</b> in advance of the <b>renewal</b> date, with details of the new premium, any changes to the renewed <b>policy</b> and the reasons for those changes. 6.2	<b>We</b> reserve the right not to renew this <b>policy</b> at <b>our</b> discretion for any reason. If so, <b>we</b> will issue <b>you</b> a notice at least 30 days before the end of the <b>policy year</b> .
